Snacks: Northport Nursery School Inc. is a **Peanut and Tree Nut- FREE ZONE**. This means that nuts or any by-product (i.e. peanut oil) cannot be an ingredient in any snack item. This also means that a snack cannot be served if it was manufactured on the same equipment with peanuts and/or tree nuts, or in the same facility that processes peanuts and/or tree nuts.*

Northport Nursery School Inc. has developed an approved snack list in an effort to keep everyone safe. Only snacks that appear on the approved snack list are permissible into the school**. This includes snacks for birthday parties or any other celebration(s) on the school premises during school hours. **Please take note of exact brand names on our list; only these specific items are permissible.** Parents participating in the classroom have the option of selecting an item(s) from the list for the daily snack; this includes any baked goods for birthday parties or any other celebration(s) on the school premises. The outside playground is **ALSO** a Peanut and Tree-Nut FREE ZONE. Please be considerate of any allergies in your classroom. Each class will be made aware of any allergies. You must check the list posted on the refrigerator door in the kitchen. Any parent/guardian of a student with a food allergy will be required to sign a daily log approving that day's snack item.

If you choose to bring in a fruit or vegetable please **DO NOT** prepare it at home. The floater or a staff member will wash the fruit or vegetable and cut it up for the class. For additional safety reasons, **we no longer serve carrots.**

*The federal Food Allergen Labeling and Consumer Protection Act (FALCPA) requires that all packaged food products sold in the U.S. that contain peanuts or tree nuts as an ingredient, must list the word peanut or the specific tree nut used on the label. However, the use of advisory labels (such as "May Contain") is voluntary, and there are no guidelines for their use. Manufacturers are not legally required to write "manufactured on equipment or in a facility that processes peanuts and/or tree nuts" on their packaging. This means that many snacks could contain trace amounts of peanuts or tree nuts without indicating this on their labels.

**Exceptions to the list are permissible for a child with any food allergy, as long as they fall under the Peanut and Tree-Nut Free guidelines mentioned above and are first approved in writing by the School.

COVID-19 POLICY ACKNOWLEDGEMENT AND ASSUMPTION OF RISK

We, the undersigned parent(s)/guardian(s), acknowledge and agree that, as parent(s)/guardian(s) of the Child, a student at Northport Nursery School, Inc. ("School"), that student, entering the school or being on or at the School's premises, and/or having contact and/or interaction with teachers, aides, staff, faculty, classmates, and other School staff, involves a certain degree of risk, namely of student, student's parent(s)/guardian(s) and/or other family members, and/or other persons, acquiring a communicable disease, including COVID-19, and then potentially passing it on to others, including his/her/their family members. Due to the highly contagious nature of COVID-19, the characteristics of the virus, and the proximity of students, teachers, aides, staff, faculty, classmates, and other School staff, there is an elevated risk of student contracting the disease simply by being in the building, on or at the premises of the School, or at any School activity or function. The same is true for parent(s)/guardian(s) of a student enrolled at the School. By signing below, we acknowledge and agree that after carefully considering the risks involved, and having the opportunity to discuss these risks with any other persons that we deem necessary or appropriate, including any healthcare professional or professionals of our choosing, we voluntarily, knowingly and willingly accept and assume those risks and

acknowledge that returning to in-person classes and other in-person School activities/functions at the School is the choice of each family, including ours. If student or parent(s)/guardian(s) who

visit or otherwise appear on or at the School or its premises have underlying health concerns which may place them at greater risk of contracting any communicable disease, including COVID-19, we acknowledge and agree that we will consult with a healthcare professional or professionals before student or parent(s)/guardian(s) return to the School, attend any School function, or visit or appear on or at the School or its premises for any purpose or reason. Moreover, we acknowledge that while adherence to safety and precautionary measures (which may include social distancing guidelines, facemasks, handwashing, etc.) may reduce possible exposure to the risk of contracting a communicable disease, the possibility of serious illness and/or death remains despite all efforts to reduce that risk. We do hereby accept and assume sole responsibility for any illness acquired by student or parent(s)/guardian(s) while at the School or on or at its premises for any purpose of reason or otherwise as a result of any School activity/function, including possible infection with COVID-19, as well as the potential of passing it on to others, including his/her/their family members. We further acknowledge, understand, and agree that we have obligations to the School, its faculty, teachers, aides, staff, students, and others, to take certain precautions and make certain disclosures to prevent the spread of communicable diseases such as COVID-19. More specifically, but without limitation, we agree to comply with the School’s policy regarding Covid-19, the receipt of which policy is hereby acknowledged, and all other School rules and requirements relating to communicable diseases such as COVID-19.
