DENTAL EXAM INFORMATION

Northport Nursery School is voluntarily registered with the New York State Education Department. As part of that registration, a Dental Exam is now mandatory for all children enrolled who are entering a 3- or 4-year-old class (the exam is not mandatory for children entering our 2s classes). Please take a moment to complete the bottom section of this form and return it to the school at your orientation day in September. The information provided will be kept in your child's confidential file.
